(a) These notes refer to Efic's Procedure for environmental and social review of transactions that is available on Efic's website under "About Efic - Our Corporate Responsibility - Transactions - Environmental and Social Review - Procedure". This Procedure applies to all transactions Efic assesses after commencing its credit assessment and due diligence processes.

Note 1: Transaction associated with either a non-project or a bond. This association determines the way that Efic considers the potential environmental and social impacts of the transaction. Further details are available in section 2.3 of the above Procedure.

Note 2: This type of product was assessed and found to always have a low or no potential for significant environmental and social impact.

Note 3: Assessed under a screen to identify which transactions require a detailed environmental and social review.

* Minister has directed Efic not to publish the destination country for this transaction, because to do so would result in the disclosure of commercial in confidence information.

b) This information has been updated from that contained in the Annual Report 2017-2018.
